

13

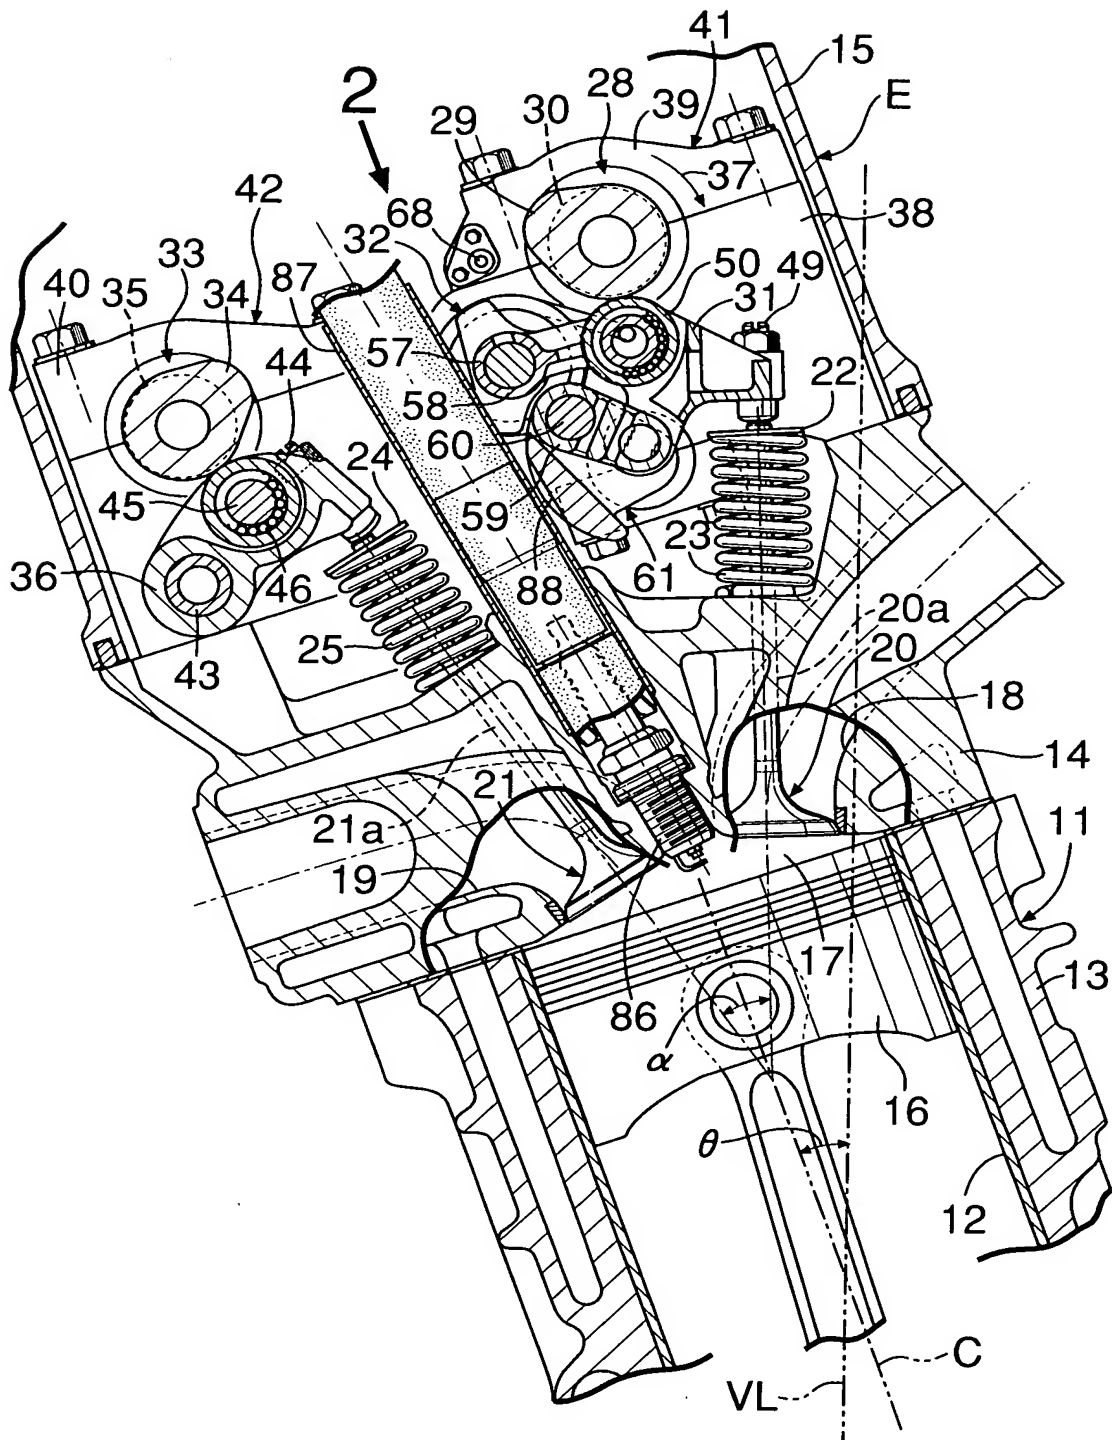

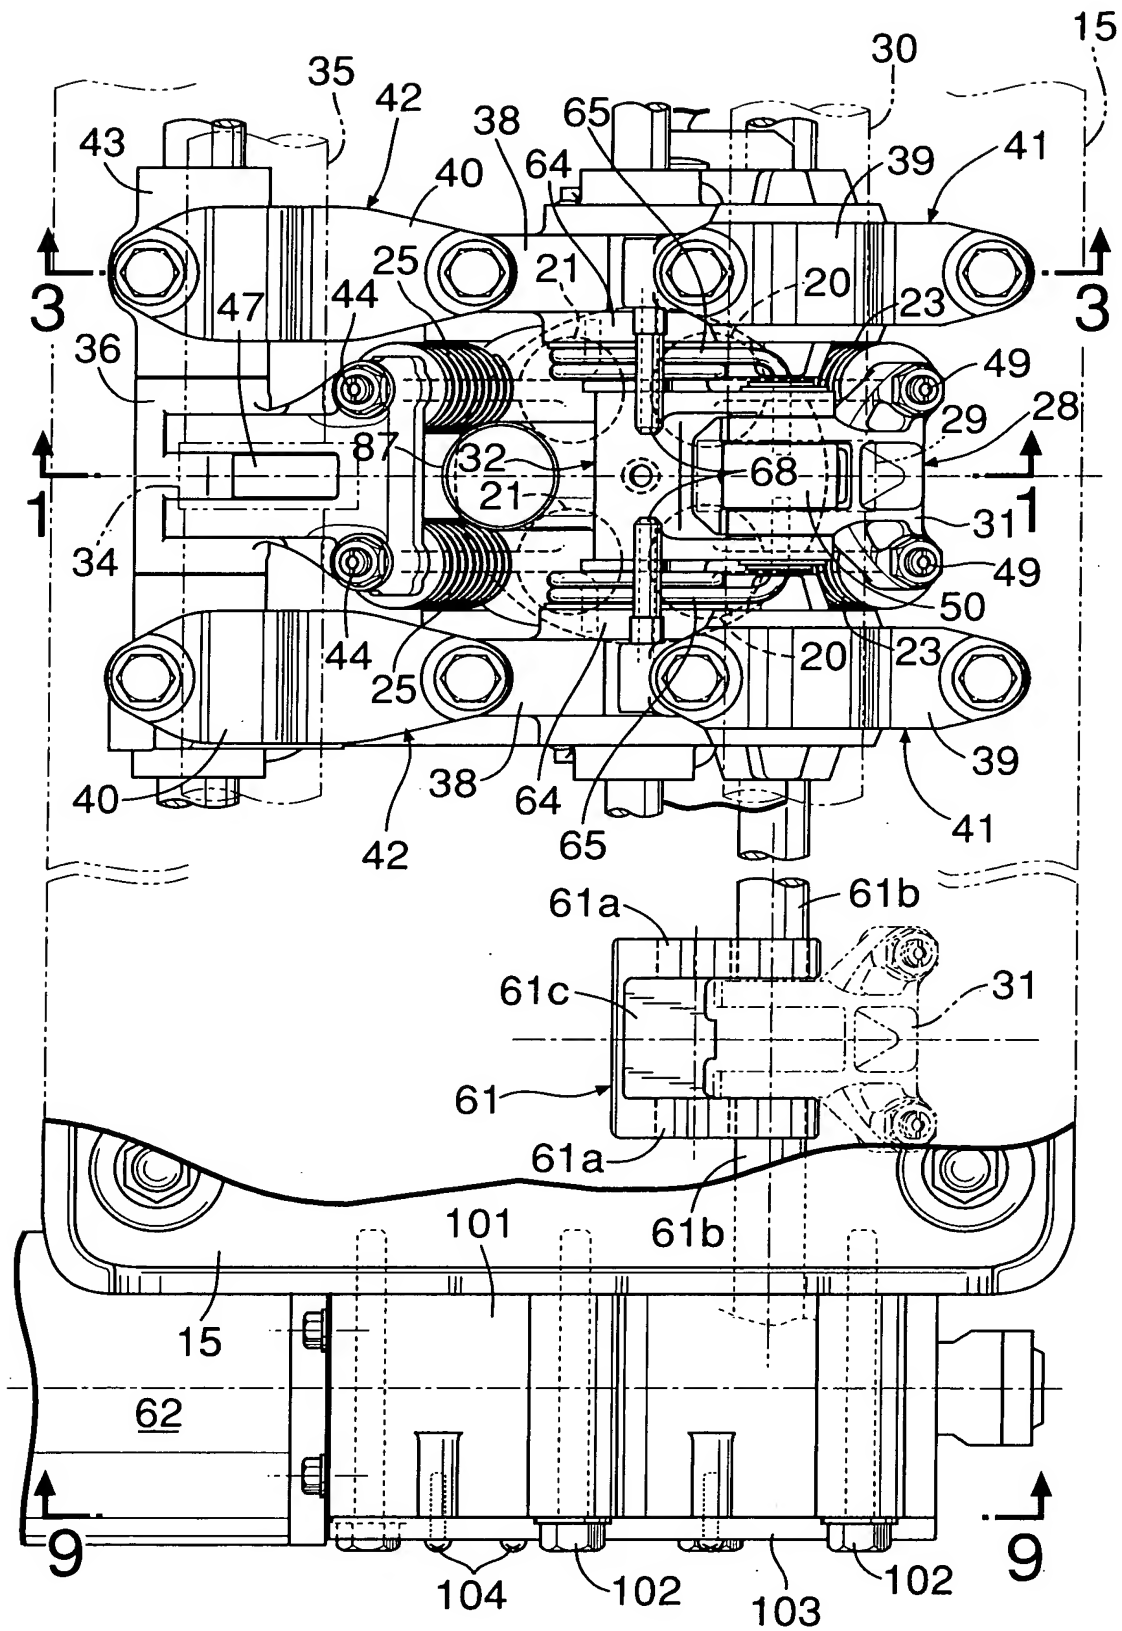

FIG.2

This technical drawing is a cross-sectional view of a mechanical assembly. The assembly consists of a main body with a central circular feature (72) surrounded by a ring (70). A large circular opening (35) is located on the left side, and a smaller circular opening (43) is on the right. The assembly is secured by several bolts (38, 40, 42) and a central rod (69). A large, irregularly shaped component (78) is positioned on the right side. The drawing uses hatching to indicate different materials and cross-sections.
